CRIMINAL COURT CASES – NEW COMPLAINT/INCIDENT NO. FIELD

The Complaint No. and Incident No. fields on the Criminal Court Case Entry screen have been combined into one field which is now labeled "Complaint/Incident No." The new field matches the "Complaint/Incident Number" field found on the new Police Criminal Complaint (AOPC 412A-07) form.

You will see the Complaint/Incident No. field when you docket a new criminal court case or when you select an existing criminal court case. For your information, the Complaint No. and Incident No. data previously entered in existing cases was migrated into the new Complaint/Incident No. field as follows:

- ? If only the Complaint No. was previously entered, then this number was transferred into the new field.
- ? If only the Incident No. was previously entered, then this number was transferred into the new field.
- ? If both numbers (Complaint No. and Incident No.) were previously entered, then the Complaint No. was transferred into the new field.
